Blackburn and District C.T.C

A friendly diverse club with active members ranging from family members with accompanying children as young as one year old to riders in their 80s. Their activities include cycle-touring, cycle racing (time-trialling, road racing, track racing on the velodrome), cycle commuting and also mountain biking.

The club's main ride of the week is the Sunday club ride, which has taken place almost every Sunday throughout its 90 year history. In addition, there are also ad-hoc midweek and Saturday morning rides run by members.

Find out more information and view the club's rides.

North Lancashire Road Club

The North Lancashire Road Club was founded in 1950 as a racing offshoot of the North Lancashire District Association of the Cyclists' Touring Club. Members take part in Club Rides and in Time Trials, Road Racing, Track Racing and Cyclo-cross. The Club promotes several Open racing events and holds an annual Luncheon and Prize Presentation.

It holds regular rides on Sundays and Tuesdays throughout the year. <u>Find out more information and</u> how to get involved.

Blackburn and District Mountain Bikers (BAD)

A group based around Blackburn & District which includes Darwen, Accrington, Burnley, Clitheroe and Ingleton. They venture out on Wednesday evenings and Sundays with a keen sense of adventure seeking new places and routes to test their skills. The group welcomes a wide range of abilities including the ordinary rider seeking to enjoy the countryside and ride just for fun. Anybody is welcome to attend a taster session. Find out how to get involved.

The Bus Stop Bikers

A family friendly group of all ages and abilities. The Social Cycling Group set up through the British Cycling organisation organises a variety of rides which can range from four to twenty miles. New members are encouraged to go at their own pace and the club prides itself on being providing a supportive and welcoming environment. Blackburn rides set off from the group's 'clubhouse' at a bus stop in Roe Lee. Find out more information or look at their ride calendar.
