Walk & Explore Winter Themed Toddler Trail and Crafts

Join Eric the Explorer on a walk through Witton Woods as he checks all the animals are surviving the coldest months of the year. Can you help him find any clues to show that Spring will soon be here?

This is a FREE buggy friendly family walk ideal for children. It lasts about 40 minutes. The walk is mainly on woodland paths so wellies or boots are best!

Visit the Activity Room in the Pavilion after the walk for Winter themed craft activities!

Thursday, 1pm - 3pm.
