## Darwen Town Centre and Rural Services

From **Monday 5<sup>th</sup> October 2020** improved bus services will be starting in your area funded by the Department for Transport's "Supported Bus Services" programme.

In Darwen we are providing additional links to the town services by introducing circular routes serving Hoddlesden, Waterside, Eccleshill and Pot House.

Changes will also see improved links between Darwen and Edgworth. Some rescheduling of some of the other town services have also been made.
