

D R T Services

Demand Responsive Transport in Blackburn with Darwen

Effective 4th April 2019

We understand the worry and stress caused when people lose a bus service, be it a link to the shops, the hospital or to see friends.

Blackburn with Darwen Borough Council has been working closely with small local operators who offer specialised door to door services for those who...

- Are struggling to get out and about.
- Find it too far to walk to the nearest bus service.
- Find their shopping too heavy to carry home.
- Need to attend hospital appointments or visiting.

A list of operators who offer this service is listed overleaf.

For more information on these services, days of operation and fares, please contact the relevant operator in terms of your specific requirements and needs.
